

Technical Specifications

Fastfind & Fastfind Plus

Message formats PLB National, Standard, and User Location Protocol as applicable, plus serial user (non-GPS version)

Temperature Storage: -55 °C to +70 °C (Class 1)

Storage: -30 °C to +70 °C (Class 2)

Operating: -20 °C to +55 °C (Class 2) With class 2 battery pack

Battery life 5 years storage from date of manufacture

Operating life 24 hours

Weight Approx. 0.3 kg (10 oz) with -20 battery pack

Approvals: COSPAS-SARSAT Approved, R&TTE Approved, FCC Approved

406 MHz transmitter

Frequency 406.028 MHz +/- 1 kHz

Output power 5 Watts +/- 2 dB

Modulation Biphasic L 1.1 +/- 0.1 radians

121.5 MHz transmitter

Frequency 121.5 MHz +/- 3 kHz

Output power 50mW ERP

Modulation AM, up or down swept tone
