

Fastfind & Fastfind Plus

Message formats PLB National, Standard, and User Location Protocol as applicable, plus serial user (non-GPS version)

PLB temperature range: Operating: -20°C to + 55°C (class 2 battery)
-40°C to + 55°C (class 1 battery)

Storage: -40°C to +70°C

Battery life 5 years storage from date of manufacture

Operating life 24 hours (minimum)

Weight Approx. 0.3 kg (10 oz) with -20 battery pack

Approvals: COSPAS-SARSAT Approved, R&TTE Approved, FCC Approved

406 MHz transmitter

Frequency 406.028 MHz

Output power 5 Watts +/- 2 dB

Modulation Biphase L 1.1 +/- 0.1 radians

121.5 MHz transmitter

Output power 50mW ERP

Modulation AM, up or down swept tone
